

# TERROR BEHIND THE WALLS®

Thank you for your interest in working at Eastern State Penitentiary's Halloween fundraiser event, *Terror Behind the Walls*! Please read and fill out this application very carefully and bring it with you to your **makeup artist interview**! We will take your photo at the interview, so there is no need to bring a headshot. (If you are also interested in interviewing in an Acting, Customer Service or Retail role, you will need to return on a separate evening for an acting role audition or customer service or retail interview. You cannot apply for all of these positions on the same night.)

Here is some background information about Eastern State Penitentiary and our haunted attraction. It's important that all of our employees understand the mission behind our operation!

## **Eastern State Penitentiary**

When Eastern State Penitentiary opened in 1829, it was the world's first true *penitentiary* and eventually became a model for 300 prisons worldwide. The original seven cellblocks spread like the spokes of a wheel and had running water and central heat before the White House. Its vaulted, sky-lit cells held many of America's most notorious criminals, including Al Capone. The penitentiary was closed in 1971 and was abandoned. Today, the prison stands in ruin.

Daytime prison tours began in 1994 and a private non-profit organization, Eastern State Penitentiary Historic Site Inc. was formed to operate the site. ESPHS works to preserve and restore the architecture of Eastern State Penitentiary; to make the Penitentiary accessible to the public; to explain and interpret its complex history; to place current issues of corrections and justice in an historical framework; and to provide a public forum where these issues are discussed. The penitentiary is open for daytime prison tours seven days a week, year-round.

## ***Terror Behind the Walls (TBTW)***

*TBTW* is a family event providing safe, fun, high quality entertainment that raises funds used to help fulfill the mission of ESPHS, Inc. All proceeds from the event are used to support the preservation and interpretation of this National Historic Landmark.

## **Employment Documents**

Please note that if you are offered conditional employment at *Terror Behind the Walls*, you must successfully complete both a I-9 and a W-4 before the first night of training on September 6, 2017. Also, after if you are conditionally selected, you will have to complete and clear a Criminal Background Check. You cannot be hired until you successfully complete all necessary paperwork.

## **Call Backs – Hiring Notification Email**

Positions are filled on an ongoing basis. **YOU MUST PROVIDE AN EMAIL ADDRESS IN ORDER TO BE HIRED.** If you are hired for a position, you will receive an email from a member of the hiring team.
